

W. L. HARDING, GOVERNOR

Commonwealth of Iowa
EXECUTIVE DEPARTMENT
DES MOINES

December 6, 1918.

Professor L. H. Pammel,
Department of Botany,
Ames, Iowa.

Dear Professor Pammel:

Your letter of November 13th
is before me. Pardon my delay in answering same.

The Executive Council met this morning
and took up the park question, appointed the com-
mission provided for under the statute, authorized
the Treasurer who is a member of the Executive
Council to get a price on Devil's Back Bone in
Delaware County.

You were appointed a member of the com-
mission and of this you will be notified by the
Secretary of the Executive Council and will also
receive a request for a meeting of the commission
on Tuesday of next week with a view of carrying
out the ideas expressed in your letter.

Cordially yours,

W. L. Harding
